Dead Text

One U instructor hereabouts
tabbed Dead Fred. He said

dead texts, thus prophet.
If still with us he’d
send ‘em.

September 14: dead text –Urban Dictionary

a text that is received too long after is sent so you are no longer obligated to reply to it.

I received a message from my friend the morning after it was sent asking if I was still up, so I decided not to reply because it was a dead text.
